WHY HARVION.
WHY GUJARAT.
WHY NOW.

SOURCING | SOLUTIONS | STRONGER TOMORROW LOCAL CAPABILITIES. GLOBAL OPPORTUNITIES.

1 HARVION OVERVIEW

YOUR GLOBAL SOURCING PARTNER FROM GUJARAT

Harvion Ventures is a Gujarat-based multi-product sourcing and export partner connecting global buyers with reliable manufacturing capabilities across Gujarat.

Harvion coordinates sourcing, technical alignment, supplier qualification, quality, documentation, and export execution — delivering a simpler, faster and more reliable path from Gujarat to the world.

- SOURCING EXPERTISE
- TECHNICAL ALIGNMENT
- QUALITY ASSURANCE
- DOCUMENTATION & COMPLIANCE
- EXPORT EXECUTION

2 WHY GUJARAT

A POWERHOUSE OF MANUFACTURING

Gujarat offers one of India's strongest industrial bases, with a diverse and competitive manufacturing ecosystem across multiple sectors.

- ENGINEERING & MACHINERY
- POLYMERS & CHEMICALS
- FABRICATED STEEL
- ELECTRICAL PRODUCTS
- CONSTRUCTION MATERIALS
- CERAMICS & SANITARYWARE
- TECHNICAL TEXTILES
- AGIDC PRODUCTS (SELECTED)

GIDC
INDUSTRIAL ECOSYSTEM

Gujarat's GIDC industrial estates provide world-class infrastructure, connectivity and a thriving ecosystem of MSMEs and large manufacturers.

A STRONGER GUJARAT FUELS A STRONGER INDIA.

3 BRICS+ TRADE MOMENTUM 2026

EXPANDING OPPORTUNITIES. DEEPER COOPERATION.

BRICS+ is a platform for trade and economic cooperation among emerging economies — creating new opportunities for businesses across the Global South. It is a cooperation framework, not a free-trade agreement.

- **VALUE-CHAIN COOPERATION** — Stronger, more resilient supply chains across member economies.
- **MSME INTERNATIONALISATION** — Greater market access for small and medium enterprises.
- **TRADE FINANCE** — Expanding financial cooperation and local currency initiatives.
- **DIGITAL TRADE & SERVICES** — Advancing digital economy and services trade principles.
- **CROSS-BORDER PAYMENT COOPERATION** — Facilitating faster, more efficient and inclusive payments.

*Cooperation framework — not a bloc-wide free-trade agreement.

STRONGER ECONOMIES
A MORE INCLUSIVE TOMORROW

4 WHY BUYERS WORK WITH HARVION

RELIABLE. FLEXIBLE. COMMITTED.

- **TRUSTED SOURCING** — Verified manufacturing partners
- **CUSTOM REQUIREMENTS** — Tailored solutions across products and specifications
- **COMPETITIVE SOLUTIONS** — Quality, value and efficiency
- **EXPORT-READY COORDINATION** — End-to-end support from order to shipment
- **LONG-TERM PARTNERSHIPS** — Built on trust, transparency and mutual growth

HARVION VENTURES

Harvion Export Desk

An outsourced export department for Indian manufacturers

You export under your own IEC, issue your commercial invoice and receive payment directly.

Harvion coordinates your suppliers, documents and shipment milestones under an agreed scope.

Prepare for your first order

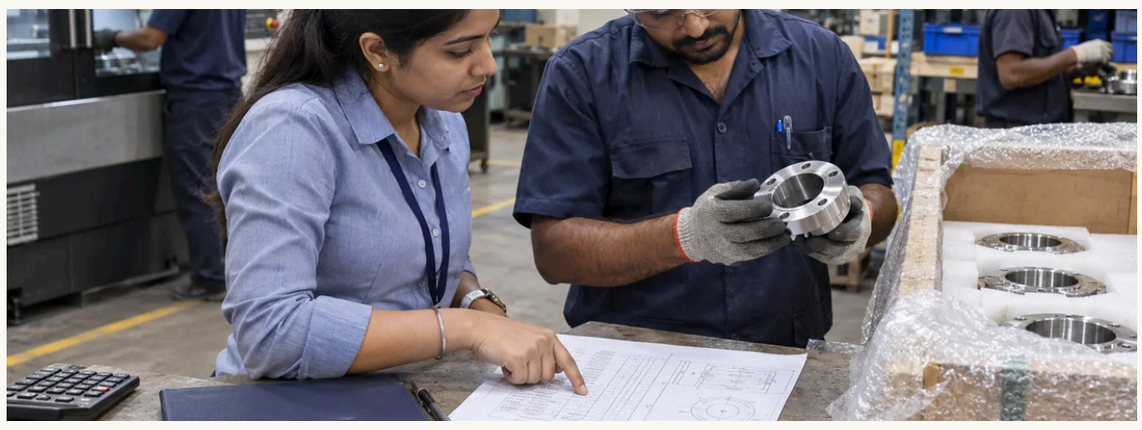
Review the product, destination, packaging and registrations. Get an action plan showing what needs attention before accepting an order.

Coordinate export documents

Track invoices, packing lists, certificates and shipping instructions. Follow up on missing items with your team and authorised specialists.

Move the order from factory to freight

Compare supplier quotes and track production, inspection, packing and dispatch. Coordinate pickup with the forwarder and authorised customs broker.



Keep buyers and management informed

See shipment milestones, document status and overdue actions in one tracker. The Growth Desk also researches buyers and coordinates outreach.

Choose the support you need

Export Readiness Review	First export order and action plan	**From Rs. 12,000 once**
Shipment Support	One confirmed shipment	**Rs. 8,000–12,000 / shipment**
Export Operations Desk	Recurring orders and shipments	**From Rs. 25,000 / month**
Export Growth Desk	Operations and buyer outreach	**From Rs. 40,000 / month**

Launch pricing. Freight, broker fees, inspections, certificates, travel, taxes and government charges are extra.

Discuss your next export order

Share your product, target country and expected dispatch date with Harsh Patel.
